

Vice President, General Counsel

Confluence Health in Wenatchee, WA is growing!

Confluence Health is seeking an in house Vice President, General Counsel to work in a diverse integrated healthcare setting. Key responsibilities include providing strategic leadership, management, and overall guidance in all legal service areas affecting Confluence Health and its affiliated corporations. The Vice President, General Counsel, assumes system-wide responsibilities for providing legal advice in matters of general corporate law, contracts, antitrust, managed care, patient care, litigation matters, real estate and regulatory law and coordinates outside legal services.

Qualifications:

Required:

- Juris Doctor Degree from an accredited law school, membership in good standing of the bar in the State of Washington, and 5 years of progressively responsible experience as a practicing health care attorney.
- Must maintain primary residence in the Confluence Health service area.
- Position will require certification in the Confluence Health Value System

Who We Are:

Confluence Health is an integrated healthcare delivery system that includes two hospitals and more than 40 medical specialties, to provide comprehensive medical care in North Central Washington. With over 270 physicians and 150 advanced practice clinicians, Confluence Health is the major medical provider between Seattle and Spokane. Our goal is to deliver high-quality, safe, compassionate, and cost-effective care close to home. Staying on the leading edge of healthcare innovation is important, so we invest in technology—to provide better care for our patients and allow our providers to operate at the highest level.

Our Mission:

We are dedicated to improving our patients' health by providing safe, high-quality care in a compassionate and cost-effective manner.

Our Vision:

To become the highest value rural healthcare system in the nation that improves health, quality of life, and is a source of pride to those who work here
