**Washington State Society of Healthcare Attorneys
Kristin Miles Memorial Student Scholarship**

The Kristin Miles Memorial Student Scholarship honors Kristin's commitment to ensuring that law students had every opportunity to participate in Washington State Society of Healthcare Attorneys (WSSHA) programs. She was ever vigilant in reminding the Board of our obligations to advance the education of future members by making our programs accessible to the law student community. While we cannot replace Kristen's passion, dedication and always present good humor, we honor her by providing this support to a law student each year.
